

Greetings VAHS Families!

The mission of Verona Area High School is **EVERY student MUST be successful**. To create a smaller community within VAHS that ensures that every student develop the necessary academic, career and personal/social skills to be successful in school and beyond, we have developed a House Model to organize our Student Services and Administration teams.

Verona Area High School is made up of two Houses who collaborate to support student success. Each House contains two Associate Principals, three counselors and a social worker. The Houses also share a School Psychologist, School Nurse, School Interventionist, Special Education Supervisor, School Parent Community Liaison and School-to-Work Coordinator.

HOW DO I KNOW WHO IS SUPPORTING MY STUDENT AT SCHOOL?

1. **Each student has been assigned an Advisor who is listed on their schedule. Students remain with their same advisory throughout high school.**
2. **Students & Parents...Find your student's Advisory to determine your student's team of support!**
3. Same as last year, Advisories are split into Day 1 advisors and Day 2 advisors.
4. All Day 1 advisors are placed in House 1 and all Day 2 advisors are placed in House 2.
5. Within each House, there are four teams (listed above).
6. Each team consists of designated Advisors (see on the back), an Associate Principal, a School Counselor and a School Social Worker.

HOW DO I KNOW WHICH LUNCH MY STUDENT HAS?

1. If your student has a Day 1 advisor, and it's a Day 1 (periods 1, 3, 5, 7), then you go to advisory first
2. If they are a Day 2 advisor and it's a Day 1, you go to lunch first
3. If they are a Day 1 advisor and it's a Day 2) periods 2/4/6/7), you go to lunch first
4. If they are a Day 2 advisor and it's a Day 2, you go to advisory first

At VAHS, advisories are set up according to student enrollment and stand until graduation to foster community with teacher, family, student services and administration. Any request for a change of advisor will only be considered with extenuating circumstances and requires collaboration between student services, the advisor and the family.
