

WISCONSIN DEPARTMENT OF JUSTICE  
STUDENT CAREER PROGRAM

*PARENTAL CONSENT FORM*

The Wisconsin Department of Justice Student Career Program tries to provide student participants with an interesting and challenging mock crime scenario that they can investigate and prosecute alongside the law enforcement professionals and attorneys here at the Department of Justice. This year, we will explore a drug overdose and the crimes associated with it. Divisions within the Department of Justice will tailor materials to be age-/maturity-appropriate. The “crime scene” and “evidence” from this scenario are entirely fabricated, but due to the sensitive nature of this topic, we ask that you provide written consent for your child to participate in this program.

If you have any questions or concerns about the subject matter of the program, please do not hesitate to contact Spencer Gustafson, one of the program coordinators, at [diversitycouncil@doj.state.wi.us](mailto:diversitycouncil@doj.state.wi.us) or 608-261-8108.
