

WISCONSIN DEPARTMENT OF JUSTICE STUDENT CAREER PROGRAM

JUNE 18–22, 2018

The Department of Justice Student Career program is a one-week program for incoming juniors and seniors. The program teaches students about the many professional opportunities available at the Department of Justice and provides an opportunity for students to meet prominent public servants in State Government.

The 10 high school students selected for the program will participate in a mock case, which includes elements of investigation and prosecution. The students will work directly with professionals from the Divisions of Legal Services, Criminal Investigation, and Law Enforcement Services. The program will also include guest speakers who will discuss their job, career path, and take questions from students.

The program will be held the week of June 18, 2018 at the Risser Justice Center and the Wisconsin State Crime Lab. All interested students must submit a completed Student Career Program Application Form and the Parental Consent Form. These application materials must be received by the Department of Justice by **Friday, May 18, 2018.**
